This matter comes before the Public Service Commission of South Carolina ("Commission") on the request by Jacobs-Rabons Communications, LLC and Fiber One Consulting, LLC ("Respondents") that the above-referenced Petition for Declaratory Order be dismissed. By correspondence dated December 13, 2010, and December 15, 2010, Respondents have represented to the Commission and to the ORS that agreements have been entered into whereby Time Warner Cable will provide all multi-channel video, high-speed data, phone, and other services to the residential developments known as Jacobs Creek and Rabons Farms in Richland County, South Carolina within 90 days. As a result, Fiber One Consulting, LLC will no longer be providing VoIP services to Jacobs-Rabons Communications, LLC. The Office of Regulatory Staff has informed the Commission that it has no objection to the requested dismissal. ORS does, however, request that the docket remain open until the Commission is notified that all Jacobs-Rabons customers have been transferred to Time Warner Cable and the Respondents have ceased operations entirely. The ORS request is
